

A large red circle containing the letters 'MR' in a bold, red, sans-serif font.

MARYUM RAINA

COMPUTER SCIENCE STUDENT | PERSONAL
WEBSITE: WWW.MARYUMRAINA.COM/

SUMMARY

Computer Science student with experience coding in multiple languages and basic web development experience. Looking for an internship to build on my skills and learn from industry professionals while applying the knowledge I have learned in university education and side projects.

EDUCATION

BASC IN COMPUTER SCIENCE • 09/2020-06/2024 •
UNIVERSITY OF TORONTO MISSISSAUGA
Academic transcript available upon request.

LANGUAGES

- Python
- Java
- CSS
- HTML5
- Javascript

SKILLS

- Troubleshooting
- Bug fixing
- Design patterns
- Data structures
- SOLID design principles

PERSONAL PROJECTS

PERSONAL WEBSITE

Created using React and Next.js. Displays detailed information about completed school projects and direct links to LinkedIn profile, GitHub, and email.

RANDOM BOOK GENERATOR WEBSITE

Created using Django framework. Uses Google Books API to retrieve random books depending on what genre the user picks. Allows users to add books to their library and search for books.
